**PLEASE [CLICK HERE](#) TO REGISTER**

Homeopathy is safe, non-suppressive, and balances and cures on the physical, emotional and mental level. Although it is a very complex and profound teaching and practice, it is very easy to get started helping yourself, family, and friends.

We will learn the basic principles of homeopathy and how to address the most common daily health challenges. In every session, we will dedicate one third of the time to your questions and discussion of your topics of interest.
